*TESTIMONIAL: To Brett and Dana,
2006 has been the third time my son has attended Super Surf Camp and it, yet again, has exceeded our expectations. Your organisation and professionalism in the way you deal with the kids from the moment of arrival to completion is second to none. Well done on a great camp, choosing a great group of instructors and providing a fantastic activity for our kids that is informative, fun, healthy and enjoyable. See you next year!
Kind Regards Lyn Hammett*
